Personal Statement

GDPR statement - This CV may be kept on file and distributed for employment purposes.

I started my 30 year career with The Molinare Group, I was one of a small team of Editors in what was the Number One facility in Televisual's Post Production Top 50 three years in a row. I honed my skills on the job and worked at Molinare for over a decade, before deciding to enter the Freelance Editing World.

I am an experienced Editor with a broad knowledge of almost all genres including Light Entertainment/Comedy/Awards Shows/Documentaries/Sport/Music/Children's Shows/Quiz-Game Shows/Reality TV/Live OB's/ Corporate.

I am personable and client-focused. I am equally at home working in live situations with tight deadlines as I am spending weeks in offline, crafting long-form documentaries all the while offering my creative input and making the experience enjoyable.
